Welcome to Ysgol Gymraeg Pwll Coch

One of the main strengths of our school is its caring, equitable, open and happy ethos where pupils feel at home and enjoy their education in a Welsh environment. One of our main aims is to make learning an exciting and pleasurable experience, mainly by ensuring that we use teaching and learning methods which are interesting and actively involve our pupils.

We expect the highest possible standards from our pupils, and we do our utmost to give them every opportunity and guidance. The wide ranging extra-curricular menu is a notable feature of the school's life and culture. We celebrate our academic, cultural, musical and sporting achievements and take pride in the personal progress of all our pupils, whatever their talents and interests.

Dear Parents, Guardians and Friends,

A warm welcome to Ysgol Gymraeg Pwll Coch. I hope that our prospectus is helpful and that it will encourage you to come and see us at the school.

Mr Dewi Rees

Educating children is a great responsibility and an immense privilege. If you are a parent of a pupil already at the school, thank you for entrusting us with that job. If you are considering sending your child to Ysgol Gymraeg Pwll Coch or would like to find out more, do get in touch. I am incredibly proud to be the Headteacher of this successful and ambitious Welsh Medium School, and I would be delighted to show you around for you to see for yourself what we can offer.

An Introduction to our School

Ysgol Gymraeg Pwll Coch is a Welsh Medium Primary School for pupils aged 3 - 11 years old located in Cardiff, Wales' capital city. The school has a nursery unit for pupils aged 3/4 and a Specialist Resource Base (SRB) for pupils with complex learning needs, Yr Hafan.

Approximately 20% of pupils come from Welsh-speaking homes where at least one parent speaks Welsh, around 5% from homes where both parents speak Welsh and approximately 80% come from non-Welsh-speaking homes. Also 23% come from a minority ethnic background. Currently around 15% of the pupils receive free school meals; this figure is below national and local averages. The school was last inspected by Estyn in February 2018. Pwll Coch is proud to be the first purpose built building for Welsh medium education within the Welsh capital. You are welcome to contact us if you require further information about our wonderful school or visit our website: www.ysgolpwllcoch.co.uk

Ysgol Gymraeg Pwll Coch was established in 1996. In September 1999 the school moved to a new building and an extension was completed in 2006 for the Upper School. The school reached its capacity of two streams in 2008. The school's catchment area is wide and varied and includes the southern and western parts of the city of Cardiff, especially the areas of Leckwith and parts of Canton, and Pontcanna. Currently, there are roughly 340 pupils in the school, including 80 places in the nursery class. There are 9 classes as well as morning and afternoon nursery classes.

Punctuality and Attendance

Punctuality

The School opens at 8.50 a.m. Registration is between 9.00 – 9.10 a.m.

Children need to be present for 9.00 a.m. in order to register. All lateness is marked in the register, arriving after 9.10 a.m. is marked as an unauthorised absence, unless there is a valid reason such as a medical appointment, a late bus or a family emergency. If this pattern continues then further action will be taken by the school.

All parents arriving after 9.00 a.m. are asked to sign the children in using the electronic system at the School Office and to ensure that their children are placed in the care of a member of staff. School cannot take responsibility for any child left alone outside the main entrance.

Attendance

We follow the County policy regarding absences. It is each parent's responsibility to ensure that their child attends school regularly and punctually. Prolonged and frequent absences will be referred to the Education Welfare Service.

If the absence is sudden i.e. illness, we ask you to inform school before 9.30 a.m. and send an explanatory note when the child returns to school. The school telephone number is: 02920 373453.

Should no call be forthcoming and no further contact from the family then the absence will be marked as unauthorised.

Pre-arranged absences e.g. medical appointments, should be cleared with school by letter before hand. We would also request that you inform us if your child will return to school for lunch.

Absences

Absence

There are two kinds of absences noted in the register:

Authorised Absence – i.e. illness, special circumstances, medical appointments.

- An application should be made to provide authorisation for your child to be absent from school for whatever reason.
- Parents are requested to try and arrange medical appointments etc. outside school hours.
- You are to notify the school as soon as possible prior to the absence.

Only the Headteacher may authorise pupils' absence – it is not at parents' discretion.

Unauthorised Absences/A child who is persistently late – i.e. unexplained absences, continued lateness, any holidays taken over the 5 day statutory allowance.

- Where there is an unacceptable absence/lateness level (usually attendance less than 85%) then a letter will be sent home.
- If no improvement is recorded over a period of 4 weeks, a second letter containing information regarding further proceedings will be sent home; parents will be requested to attend a meeting at the school
- If no improvement is recorded over a period of 4 weeks the school will report the matter to the Education Authority's Welfare Team who will then work with the school and the family to improve attendance.

Your child must be kept at home from school for at least 48 hours if they suffer from diarrhea or vomiting, in order to avoid spreading any illness to others.

When your Child is Ill

In the event of your child feeling unwell we will contact you to collect your child. If we are unable to contact you we will contact the other numbers you will have given us.

WE ASK YOU TO INFORM US IMMEDIATELY IN THE EVENT OF TELEPHONE NUMBERS, EMAIL & ADDRESSES CHANGING.

Children with some contagious illnesses are not allowed at school e.g. measles, mumps and chicken pox etc. A full list of these are available from your GP, School Nurse, Health Visitor and school. Please telephone for further information.

Asthma:

We ask all parents whose child suffers from this ailment to ensure that their child is trained to use the inhaler without adult supervision.

Parents must complete an Asthma Inhaler Consent Form and the inhaler should be clearly marked with the child's name. Inhalers are kept in the Headteacher's office and pupils are allowed access when necessary.

It is the responsibility of parents to ensure that inhalers are in date and to renew when required.

Head Lice:

We follow procedures established by the Local Health Authority. We ask you to:

- Treat your child's hair until the hair is clear of head lice;
- To inform us of all infestations so that we may duly inform parents that there has been a case of lice in the class;
- There is no reason for shame, it happens to us all!

Medication:

The school follows the Local Authority's policy regarding the administration of medicines.

Term time Holidays

Cardiff Council asks that headteachers no longer authorise applications for holidays during term time. There is no right that enables parents and carers to take a child out of school for a term-time holiday. To put this in context, schools are open to pupils on 190 days of the year which leaves 175 days for holidays and visiting family.

We do not provide homework during time taken for holidays.

Payments

Pwll Coch is a cashless school and all payments are made online via the ParentPay website.

All parents will receive login details and information on how to register for the service upon admission to the school.

Pupils attending Nursery, Reception, Years 1 and 2 have free school milk in accordance with the Welsh Government initiative

The Upper School – We kindly ask that pupils bring a healthy snack to school daily.

Pastoral Care

The ultimate responsibility for the school lies with the Headteacher although each teacher is responsible for the care of the children in his/her class. Although there is supervision at all times, accidents do happen. Members of staff deal with minor injuries but the parents and/or doctor/emergency services are informed in the event of a serious injury.

Equal Opportunities

We are committed to ensuring equal opportunities for all at Ysgol Gymraeg Pwll Coch whatever their age, gender, ability, ethnic origin, religion, sexual orientation or nationality. We evaluate our performances regularly in order to ensure that every child's needs are met. There is a policy and an accessibility plan in school.

The policy will be on the school's website and a hard copy is available from the school office.

Travelling to School

Where possible, we always encourage parents/pupils to walk/cycle to school.

Lawrenny Avenue is part of the School Streets Initiative and therefore vehicles are not permitted to enter the school street between the hours noted below. We offer a walking bus from the beginning of Lawrenny Avenue every day.

Safeguarding and Child Protection

Ysgol Gymraeg Pwll Coch has a pastoral duty towards its pupils, the school plays an important role in preventing abuse and neglect by creating and maintaining a safe environment for children and young people.

Each member of staff at the school is responsible for the protection and safety of children at the school. Curriculum for Wales

A Curriculum for Wales Framework was designed to help teachers develop a more integrated approach to learning.

The six Areas of Learning and Experience bring familiar disciplines together, and encourage meaningful and strong connections across different disciplines. Those individual disciplines will continue to play an important role, particularly as learners progress and begin to specialise.

In addition to collaboration, the guide encourages cross-disciplinary learning and teaching, both within and across the Areas of Learning and Experience. This will enable learners to make connections across their learning and to combine different experiences, knowledge and skills.

This Framework contains 27 statements of What Matters. These ensure a level of consistency in curriculum planning across settings and schools, as learners must develop an understanding of all the statements. The process of examining and revisiting these affirmations will enable learners to develop a progressively deeper understanding along the learning continuum and to show progress on the journey towards a more sophisticated understanding of the knowledge, ideas and key principles in each Area.

This more sophisticated understanding will enable learners to appreciate how their learning contributes towards these ideas and why this is important, rather than retrieving unrelated facts without understanding the context. This progress should be supported with a variety of assessment methods that enable the learners and teachers to understand where the learners have reached, and what they need to do next.

The curriculum will be organized into 6 Areas of Learning and Experience:

- Mathematics and Numeracy
- Languages, Literacy and Communication
- The Humanities
- The Expressive Arts
- Science and Technology
- Health and Wellbeing.

Additional Learning Needs

We recognise that children do have varied educational difficulties during their time at school and we endeavour to provide the best possible education for them.

The school makes every effort to ensure that we meet the needs of children with additional learning needs. We offer a range of support for these children and their families. Children are considered to have additional learning needs for the following reasons: educational, physical, sensory, behavioural and More Able & Talented.

School follows a clear policy on the teaching of Additional Learning Needs. Extra help is given in the class when appropriate. We will contact parents on a regular basis to discuss any problems and any further steps that may need to be taken.

We consider every child in Ysgol Gymraeg Pwll Coch to be special and we aim to ensure that every child has full access to the curriculum. All the children are fully integrated into school life. We consider parent's opinions to be very important when any decisions are to be made.

If you would like to see a copy of our Additional Learning Needs Policy, please contact the school office. Our Additional Learning Needs Co-Ordinator is Mrs Sandra Graville. Parents are welcome to contact Mrs. Graville in the event of any concerns.

Children Looked After

Our vision is to support children looked after with all aspects of their education, monitor their achievements, and assist them in overcoming any barriers to success, ensuring they achieve their full potential.

On placement in the school, an effective, high quality personal education plan (PEP) is initiated as part of the child's Care Plan. The PEP sets clear targets related to academic achievement, out-of-school activities, and personal/behavioural targets. The PEP adopts a holistic view, placing the child at the centre of the process and taking on board their views and opinions. Parents and/or family members and carers are also fully involved.

Music Lessons

From Year 3 we offer lessons in violin, harp, cello, double bass, brass and woodwind provided by the Cardiff & Vale Music Service.

Fees are charged with a reduction for any parents who are receiving benefits. We ask an annual commitment from parents for these lessons.

Charging Policy

Parents are asked to pay, on a voluntary basis, to cover the cost of:

- educational visits/school journeys;
- buses for sporting activities etc;
- theatre companies and other visitors/speakers;
- some clubs (where an outside provider is used);
- occasionally for materials used (e.g. cooking ingredients).

Without parental support some of these activities will not take place. No child will be excluded if his/her parents are unable to pay.

In cases of genuine hardship, please do not hesitate to contact the Headteacher.

Urdd Gobaith Cymru

The school is very eager to continue to develop a strong relationship with the Urdd.

All children are encouraged to join and gain the opportunity to take part in many worthwhile activities including competing in the Eisteddfod.

We would love to hear from you
